

Liza Perera

Associate Director, Macquarie Bank

Liza has worked in the financial services industry, both in Australia and overseas, for 20 years. Her experience spans many diverse areas of banking including private and property finance. Having worked at Macquarie for over 14 years, Liza's areas of specialty include SME cash flow and property lending, providing innovative 'end to end' back-office solutions and financial services to strata managers. Liza takes satisfaction from seeing her clients unlock their potential, supporting their growth strategies and being part of their journey. Liza was the head of the strata segment for NSW, in Banking and Financial services and lead a team of Relationship Managers

Liza is also responsible for growing Macquarie's investment in a utilities business which provides smarter building services to residential and commercial strata buildings.

Prior to Macquarie Liza was a Private Banker for HSBC for many years and looked after high net worth clients in Australia and around the globe.
