

## Stephen Brell

Stephen Brell, President of SCA (NSW) and managing director of NetStrata, is a strata industry professional with over two decades' experience.

He has been an integral part of Project Remediate, a voluntary three-year program in New South Wales to remove high-risk combustible cladding on Class 2 residential apartment buildings as well working with the Office of the NSW Building Commissioner on major reforms in the building and construction industry and the NSW Strata Building Defects Survey.

He is a licensed real estate agent, qualified property valuer and chair of the NSW Risk and Finance Committee.

Stephen is a keen supporter of several charities including Hope for Cambodian Children, Camp Quality, Ronald McDonald House, Leukemia Foundation, and Amnesty International.
